Beaver Dam

<http://www.morainepark.edu/about-mptc/campus-visitor-information/beaver-dam/>

The Beaver Dam campus is adjacent to the Beaver Dam High School and includes 54,000 sq. ft. of space owned by the College. The Beaver Dam campus houses an engine technology training center for Mercury Marine, the largest corporate employer in the district. The campus is home to a national training facility for their technicians. Beaver Dam also offers an electrical power distribution program housing a pole field, lift trucks and other equipment to train electrical power technicians. Finally, this campus stores a mobile burn trailer. This state-of-the-art training lab provides specialized training throughout the district for Wisconsin firefighters.

The Moraine Park Technical College Beaver Dam Campus is located at:

700 Gould St.
Beaver Dam, WI 53916

You can call us at 1-800-472-4554.
