

# MORAINE PARK DISTRICT BOARD

The Moraine Park Technical College District is governed by a nine-member Board of Trustees representing the communities served by the ten-county District. Each year, three members are appointed by a committee consisting of the county board chairpersons of the ten counties belonging to the Moraine Park Technical College District: all or the majority of Dodge, Fond du Lac, Green Lake, and Washington counties; and portions of Calumet, Columbia, Marquette, Sheboygan, Waushara, and Winnebago counties.

The Board has nine members:

- 2 employers
- 2 employees
- 1 elected official
- 3 additional members
- 1 school district administrator from a public school district within the Moraine Park District

Each year, three members are appointed to serve staggered, three-year terms beginning July 1. The annual appointment process typically begins in February or March. Board members are not paid except for expenses incurred in the performance of their duties.
