### What is a Scholarship?

A scholarship is a financial award provided by a generous individual, family, business or organization to help support a student's educational journey. Unlike student loans, scholarships are gifts that do not need to be repaid.

### Foundation Scholarships

Moraine Park Foundation scholarships are possible because of generous gifts from alumni, Moraine Park employees, businesses, service clubs, and friends of the College who believe in higher education and making Moraine Park affordable to students. The Foundation provides students more than \$300,000 annually, with awards ranging from \$250 to \$4,500.
