MORAINE PARK FOUNDATION AND COMMUNITY SCHOLARSHIPS

What is a Scholarship?

A scholarship is a sum of money provided by a generous person, family, business or organization that is awarded to a student in order to help him or her further his or her education. Unlike a student loan, scholarships are gifts that don't need to be paid back. There are two types of scholarships at Moraine Park Technical College – Moraine Park Foundation scholarships and outside scholarships.

Foundation Scholarships (https://morainepark.scholarships.ngwebsolutions.com/CMXAdmin/Cmx_Content.aspx?cpId=516)

Moraine Park Foundation scholarships are possible because of generous gifts from alumni, Moraine Park employees, businesses, service clubs, and friends of the College who believe in higher education and making Moraine Park affordable to students. The Foundation provides students more than $300,000 annually, with awards ranging from $250 to $3,500. A list of Foundation Scholarships can be found here (https://morainepark.scholarships.ngwebsolutions.com/scholarx_scholarshipsearch.aspx).
