

PROGRAMMABLE LOGIC CONTROLLER (PLC) FUNDAMENTALS CERTIFICATE

Certificate: 97-620-3

Campus: Fond du Lac

About the Program

The PLC Boot Camp provides knowledge in Programmable Logic Controllers. This training will provide the skills needed to prepare people for work on PLCs. Participation must be employer approved.

Financial Aid

May be eligible for grant funding. Not eligible for financial aid.

Additional Information

For more information – call 920-924-3334, TTY/VP: Use Relay/VRS or email bootcamps@morainepark.edu.

Boot Camp Criteria

This PLC Boot Camp is designed for individuals who are currently working in an Industrial Maintenance position and wish to gain additional training in the Programmable Logic Controller field. Participants must be sponsored by their employer to attend. Students will be working with Allen-Bradley 500 and 5000. They will attend class one day per week starting with the Basic PLC class and then continue with the Advanced PLC class.

Next Steps

Individuals interested in participating must be sponsored through their employer. Employers should contact bootcamps@morainepark.edu for more information.
