

CLASS FORMATS

Enrollment may limit the campus availability or delivery of certain courses.

In-Person (TP, TPC, TPE)

- Learning takes place during **scheduled dates and times**.
- Learning takes place at a **physical location (face-to-face)**.

In-Person Video Conference (TV, TVC, TVE)

- Learning takes place during **scheduled dates and times**.
- Learning takes place at a **physical location (via video conference)**.
- Faculty and students may participate from different physical locations. Students may be alone in the classroom, or joined by others. If you are the first to arrive to a campus classroom:
 - Push the door open and turn on the lights.
 - If the room is locked, email your instructor, or find any employee on campus.
 - If unable to connect to the video, use the “Emergency IT Support” button on the classroom phone.

In-Person Flex (TF)

- Learning takes place during **scheduled dates and times**.
- Students choose how they attend each class – they may attend a **physical location (face-to-face)** OR **online (virtually)** during scheduled dates and times.

Online Asynchronous (NA, NAC, NAL, NAE)

- Learning takes place exclusively **online (virtually)**. There are NO scheduled meeting dates and times.
- Students are required to complete assessments and activities by scheduled deadlines.

Online Synchronous (NS, NSC, NSL, NSE)

- Learning takes place exclusively **online (virtually)** during **scheduled dates and times** – this means students are required to meet virtually for a LIVE class.
- Students are required to complete assessments and activities by scheduled deadlines.

Blended (BP, HP, BPE, HPE)

- Learning takes place during **scheduled dates and times**.
- Learning takes place through a combination of **online activities** AND at a **physical location (face-to-face)**.

Blended Video Conference (BV, HV, BVE, HVE)

- Learning takes place during **scheduled dates and times**.
- Learning takes place through a combination of **online activities** AND at a **physical location (via video conference)**.
- Faculty and students may participate from different physical locations. Students may be alone in the classroom, or joined by others. If you are the first to arrive to a campus classroom:

- Push the door open and turn on the lights.
- If the room is locked, email your instructor, or find any employee on campus.
- If unable to connect to the video, use the “Emergency IT Support” button on the classroom phone.

Blended Flex (BF, HF)

- Learning takes place during **scheduled dates and times**.
- Learning takes place through a combination of **online activities** AND students choose how they attend each class – they may attend a **physical location (face-to-face)** OR **online (virtually)** during scheduled dates and times.

Self-Paced Computer Software (SC, SCE)

- Learning is self-paced and may start at varying times within a semester.
- Class completion dates are communicated during the face-to-face orientation and are strictly adhered to by the College.
- An online or in-person orientation session is required before beginning the class.

Self-Paced Open Lab (SL, SLE)

- Learning is self-paced in person in a physical location.
- Students choose when to attend within scheduled open lab times.
- A required orientation includes lab expectations, testing requirements, class duration (11 weeks, etc.) and other logistics.
