

DUAL ENROLLMENT (CONSORTIUM AGREEMENTS)

Dual Enrollment (Consortium Agreements)

If you are attending Moraine Park and another college at the same time, you might be eligible to receive financial aid from one college for attendance at both colleges. Contact the Financial Aid Department at the college from which you plan to graduate to obtain a Consortium Agreement application. The Agreement must be submitted to, and reviewed by, the Financial Aid office before any financial aid funds based on enrollment at another college can be disbursed. If tuition and fees are due at the visiting school prior to the disbursement schedule at Moraine Park, you will need to make arrangements to pay by that deadline. During the fall and spring semesters, students must be taking at least three (3) credits at Moraine Park.
