Associate of Applied Science Degree

Campus: Beaver Dam, Fond du Lac, West Bend, Online

This program is eligible for financial aid (<http://www.morainepark.edu/financial-aid/>)

Moraine Park Technical College's Business Management associate degree will teach you the ins and outs of business fundamentals to take your career to the next level.

About the Program

Whether you are ready to advance in your career, start your own business or gain entry-level employment, the Business Management program at Moraine Park will give you the foundation you need. Business Management students learn business fundamentals including marketing, accounting and computer software applications. The program also explores managing operations, supervision, teamwork, problem solving, communication skills and ethical behavior.

Graduates of the program are prepared to be successful leaders in today's fast-changing work environment. Students perfect their management skills in service, manufacturing and nonprofit sectors. Students in the Business Management program gain a full understanding of business with courses in leadership, human resources, teamwork, quality, finance, marketing, operations, labor relations/business law, employee training, problem solving, safety, and oral and written communication skills.

What You'll Learn

A Business Management degree at Moraine Park prepares students for an entry-level management position in a variety of industries.

Transfer Opportunities

Your academic journey can continue at a four-year college or university. Earn your associate degree at Moraine Park and then apply those credits toward a bachelor's degree. Starting at MPTC makes completing a bachelor's degree **affordable, accessible** and **convenient**. You can go anywhere as MPTC has transfer agreements with colleges and universities both in Wisconsin and throughout the country.

Visit the Transfer to a Four-Year College (<https://www.morainepark.edu/transfer-to-a-four-year-college/>) page for more information on credit transfer agreements between Moraine Park and four-year colleges, both public and private.
