

HUMAN RESOURCES

Program Number: 10-116-1

Associate of Applied Science Degree

Campus: Beaver Dam, Fond du Lac, West Bend, Online

This program is eligible for financial aid (<http://www.morainepark.edu/financial-aid/>)

No two days are the same in the human resources field, from problem solving to helping others succeed, to navigating the ever-changing employment laws. An associate degree in Human Resources from Moraine Park Technical College can help you get started in a career you'll love.

About the Program

The Human Resources Associate of Applied Science degree at Moraine Park sets students up for a successful HR career by laying a strong foundation in communication, human relations and business fundamentals. Students learn to recruit, hire, and onboard new team members, maintain personnel records, coordinate compensation and benefit programs, and administer safety programs. They are equipped to support managers as they lead and motivate employees. Graduates are prepared for a variety of roles within Human Resources and Talent Development including recruitment, training, onboarding, as well as compensation and benefits roles.

What You'll Learn

Students gain hands-on human resources experience, learning how to create an organizational workforce plan, develop training programs, examine HRIS applications, organizational engagement programs, incorporate employment law into business practices and foster effective employee relations.

Transfer Opportunities

Your academic journey can continue at a four-year college or university. Earn your associate degree at Moraine Park and then apply those credits toward a bachelor's degree. Starting at MPTC makes completing a bachelor's degree **affordable, accessible** and **convenient**. You can go anywhere as MPTC has transfer agreements with colleges and universities both in Wisconsin and throughout the country.

Visit the Transfer to a Four-Year College (<https://www.morainepark.edu/transfer-to-a-four-year-college/>) page for more information on credit transfer agreements between Moraine Park and four-year colleges, both public and private.
