

INFORMATION TECHNOLOGY - WEB SITE COORDINATOR CERTIFICATE

Program Number: 97-152-1

Certificate

Campus: Online, most classes offered at Fond du Lac and West Bend
This program is **not** eligible for financial aid

Gain skills to develop, design and maintain websites with the Information Technology - Web Site Coordinator Certificate at Moraine Park.

About the Program

Students in the Information Technology - Web Site Coordinator Certificate gain fundamental skills in web design, development and maintenance. Students are introduced to basics of coding, design software and electronic imaging.

What You'll Learn

Students get hands-on experience using design software that assists in website development and design. Students also learn basic website coding. Graduates are prepared to support web marketing functions within a business.

This certificate allows students to take technical diploma courses without the time commitment of a full-time program. The credits can be applied toward the Information Technology - Web Designer/Developer (<https://catalog.morainepark.edu/program-information/programs/information-technology-web-designer-developer/>) program if the student desires.

Transfer Opportunities

Your academic journey can continue at a four-year college or university. Earn your associate degree at Moraine Park and then apply those credits toward a bachelor's degree. Starting at MPTC makes completing a bachelor's degree **affordable, accessible** and **convenient**. You can go anywhere as MPTC has transfer agreements with colleges and universities both in Wisconsin and throughout the country.

Visit the Transfer to a Four-Year College (<https://www.morainepark.edu/transfer-to-a-four-year-college/>) page for more information on credit transfer agreements between Moraine Park and four-year colleges, both public and private.
