Program Number: 10-101-1

Associate of Applied Science Degree

Campus: Beaver Dam, Fond du Lac, West Bend, Online

This program is eligible for financial aid (<http://www.morainepark.edu/financial-aid/>)

Turn your passion for numbers and details into a rewarding career—get started in the accounting associate degree program at Moraine Park Technical College and snag the job of your dreams in as little as two years.

About the Program

The Accounting Associate of Applied Science degree at Moraine Park—which is available on campus or online—gives students an in-depth look at all facets of the accounting world. Students learn about teamwork, communication skills and various accounting software programs. Students gain hands-on experience using computers to process financial data for reporting, planning, controlling and decision-making purposes. Graduates of the program are informed about ethical standards for accountants and the Generally Accepted Accounting Principles.

What You'll Learn

Students learn basic principles such as financial, cost, payroll, taxes, auditing and technology from expert instructors. Graduates of the program can process financial transactions, analyze financial and business information, and perform payroll preparation. They are also skilled in carrying out tax accounting preparation for businesses and individuals and identifying internal controls to reduce risk. Students in the program practice using and learning QuickBooks™ and graduates are able to adapt to new technologies.

Transfer Opportunities

Earn credits at MPTC and transfer to a four-year college to earn your bachelor's degree.
