

ADMINISTRATIVE MEDICAL ASSISTANT CERTIFICATE

Program Number: 61-160-2

Certificate

Campus: Beaver Dam, Fond du Lac, West Bend

This program is **not** eligible for financial aid

About the Program

Administrative medical assistants are at the front lines of a medical office and play an integral role in the patient experience. The courses from this certificate can be directly transferred into Moraine Park's Medical Assistant (<https://catalog.morainepark.edu/programs/medical-assistant/>) technical diploma should students choose to continue their education.

What You'll Learn

This certificate prepares students to perform administrative tasks in a health care setting such as patient registration, scheduling patient appointments and procedures, telecommunications skills, maintaining electronic health care records, operating computer software and office equipment, and maintaining supplies for the office. In addition, students will learn basic rooming procedures often performed in a medical clinic. This includes obtaining vitals and patient history, preparing the patient for an exam, collecting specimens, and infection control principles for the medical office.

Transfer Opportunities

Your academic journey can continue at a four-year college or university. Earn your associate degree at Moraine Park and then apply those credits toward a bachelor's degree. Starting at MPTC makes completing a bachelor's degree **affordable, accessible and convenient**. You can go anywhere as MPTC has transfer agreements with colleges and universities both in Wisconsin and throughout the country.

Visit the Transfer to a Four-Year College (<https://www.morainepark.edu/transfer-to-a-four-year-college/>) page for more information on credit transfer agreements between Moraine Park and four-year colleges, both public and private.
