

ADVANCED EMERGENCY MEDICAL TECHNICIAN

Program Number: 30-531-6

Technical Diploma

Campus: Beaver Dam, Fond du Lac, West Bend

This program is **not** eligible for financial aid

Build on the Emergency Medical Technician (<https://catalog.morainepark.edu/programs/emergency-medical-technician/>) program and prepare to take the national exams with the Advanced Emergency Medical Technician program.

About the Program

Make a difference and play an important role in your community with the Advanced Emergency Medical Technician program at MPTC. Students prepare to provide a higher level of pre-hospital patient care in emergency situations.

What You'll Learn

Students learn basic and limited advanced lifesaving skills through in class instruction and during clinical rotations. Advanced EMT builds upon the EMT foundation and adds to the student's ability to perform skills and provide care to critically ill patients.

After completing this course, you must successfully pass the National Registry of Emergency Medical Technicians Advanced cognitive and psychomotor examination to qualify for a Wisconsin Advanced Emergency Medical Technician license.

Acceptance into the Advanced EMT program includes health requirements and criminal background check. Students must be a licensed EMT and maintain licensure throughout the course.

Transfer Opportunities

Your academic journey can continue at a four-year college or university. Earn your associate degree at Moraine Park and then apply those credits toward a bachelor's degree. Starting at MPTC makes completing a bachelor's degree **affordable, accessible** and **convenient**. You can go anywhere as MPTC has transfer agreements with colleges and universities both in Wisconsin and throughout the country.

Visit the Transfer to a Four-Year College (<https://www.morainepark.edu/transfer-to-a-four-year-college/>) page for more information on credit transfer agreements between Moraine Park and four-year colleges, both public and private.

Additional Information

State Licensure Disclosure: Moraine Park's Advanced Emergency Medical Technician program prepares students to obtain the educational requirements for licensure to be employed/practice in the state of Wisconsin. No determination has been made if the curriculum matches the educational requirements for preparation, examinations, or licensure for other states. Visit the Accreditation (<http://www.morainepark.edu/about-mptc/accreditation/#accreditation>) page for more details about accreditation.

Licensing Organization: Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions (<https://coaemsp.org/>)

The A-EMT certificate is available only for those working in the field or as an EMT Pathway Continuation.

Admission Process

Standard Admissions (<http://www.morainepark.edu/admissions/new-student/how-to-apply-for-admissions/>) steps details

This program also requires:

- Health Requirements
