

AGRIBUSINESS SCIENCE AND TECHNOLOGY

Program Number: 10-006-2

Associate of Applied Science Degree

Campus: Shared with Lakeshore Technical College*

This program is eligible for financial aid (<http://www.morainepark.edu/financial-aid/>)

Experience on-the-job training to prepare for employment in the agriculture industry through this two-year Agribusiness Science and Technology program.

About the Program

Whether you're getting ready to take over your family's farm, want to work at a seed supplier or are looking to work in the agriculture industry, a degree in agribusiness science and technology can open doors to a world of opportunities.

The Agribusiness Science and Technology associate degree is a shared program with Lakeshore Technical College (LTC). That means students get the convenience of taking classes at either campus. *General studies classes and labs can be taken at Moraine Park, as well as via live interactive television. For more information, please see Lakeshore Technical College's Agribusiness Science and Technology (<https://gotoltc.edu/programs-and-courses/degree-programs/agribusiness-science-technology/>) program page.

What You'll Learn

Through hands-on learning and on-the-job experience using agricultural technology, students will gain skills in animal science and nutrition, integrated pest management, soil science, crop production and precision agriculture. With farming courses taught by industry professionals, students will be able to successfully develop their agribusiness skills and enhance their success through sales, marketing and business management.

Transfer Opportunities

Your academic journey can continue at a four-year college or university. Earn your associate degree at Moraine Park and then apply those credits toward a bachelor's degree. Starting at MPTC makes completing a bachelor's degree **affordable**, **accessible** and **convenient**. You can go anywhere as MPTC has transfer agreements with colleges and universities both in Wisconsin and throughout the country.

Visit the Transfer to a Four-Year College (<https://www.morainepark.edu/transfer-to-a-four-year-college/>) page for more information on credit transfer agreements between Moraine Park and four-year colleges, both public and private.

Admission Process

The admission process for a shared program should be completed at Lakeshore Technical College.
