Certificate

**Campus:** West Bend

This program is **not** eligible for financial aid

Get started in an exciting career you'll love in as little as one semester with Moraine Park's Chiropractic Technician Certificate, which allows students to earn both the Chiropractic Technician and Chiropractic Radiographic Technician state certifications.

## About the Program

Moraine Park's Chiropractic Technician Certificate prepares students for work as chiropractic assistants, and allows students to earn both the chiropractic technician and chiropractic radiological technician state certifications.

The certificate program consists of two courses that are part of the Health and Wellness (<https://catalog.morainepark.edu/programs/health-wellness-aas/>) associate degree program and can be used toward completion of that degree.

Upon completion, student will satisfy the state of Wisconsin current requirements for Chiropractic Technician and Chiropractic Radiographic Technician certification<sup>1</sup> in the areas of therapies, exercise, preliminary examination, case history and radiography.

<sup>1</sup> State laws are subject to change. State certification required.

## What You'll Learn

Students gain hands-on experience in many of the daily tasks of chiropractic technicians, including taking x-rays and assisting in patient therapy and exercise, keeping track of patient records and answering chiropractic-related questions.

## Transfer Opportunities
