

HEALTH AND WELLNESS

Program Number: 10-546-3

Associate of Applied Science Degree

Campus: West Bend

This program is eligible for financial aid (<http://www.morainepark.edu/financial-aid/>)

Pursue your passion for helping people promoting health and fitness—become a wellness coach, personal trainer or chiropractic technician in two years or less with a Health and Wellness degree from Moraine Park Technical College.

About the Program

Whether you have a passion for helping people or want to make the gym your office, a career in the health and wellness industry is calling your name.

Moraine Park's Health and Wellness associate degree program is designed for students who want to learn how to coach clients in developing healthy lifestyle habits through proper nutrition, managing daily stress and becoming more physically active. Students can choose career pathways as a wellness coach and personal trainer or chiropractic technician.

Upon completion, students can become certified as an American Council of Exercise (ACE) Personal Trainer, ACE Group Fitness Instructor and/or become Wisconsin state certified in the chiropractic health setting in therapies and radiography.

The best part? You can begin a career with a faster than average job growth rate (<http://www.bls.gov/ooh/community-and-social-service/health-educators.htm>) in two years!

What You'll Learn

In Moraine Park's Health and Wellness program, students gain hands-on experience and learn up-to-date practices from instructors who currently work in the industry. Students learn how to create a culture of wellness within an organization, use holistic wellness strategies to guide behavior and lifestyle change in clients, and lead and evaluate personal and group fitness and strength training exercise sessions.

Upon completion of the Health and Wellness program, students will know how to plan, implement, and evaluate corporate, community, or individual wellness plans, assess personal fitness levels and prescribe exercise intervention plans, develop, deliver, and evaluate health and wellness educational sessions to small and large groups. Students will also learn to analyze key behaviors and implement social marketing campaigns designed to promote healthy lifestyles.

The program also prepares students with the knowledge they need to explain the known causes of chronic disease and how to prevent and manage chronic disease through lifestyle and behavior changes, assist in patient education and office operations, and administer therapeutic modalities and radiographic imaging.

Transfer Opportunities

Your academic journey can continue at a four-year college or university. Earn your associate degree at Moraine Park and then apply those credits toward a bachelor's degree. Starting at MPTC makes completing a bachelor's degree **affordable, accessible** and **convenient**. You can

go anywhere as MPTC has transfer agreements with colleges and universities both in Wisconsin and throughout the country.

Visit the Transfer to a Four-Year College (<https://www.morainepark.edu/transfer-to-a-four-year-college/>) page for more information on credit transfer agreements between Moraine Park and four-year colleges, both public and private.

Additional Information

State Certification Disclosure: Moraine Park's Health and Wellness program prepares students to obtain the educational requirements to pursue certification to be employed/practice in the state of Wisconsin. No determination has been made if the curriculum matches the educational requirements for preparation, examinations, or certification for other states. Visit the Accreditation (<http://www.morainepark.edu/about-mptc/accreditation/#accreditation>) page for more details about certification.

Admission Process

Standard Admissions (<http://www.morainepark.edu/admissions/new-student/how-to-apply-for-admissions/>) steps details

This program also requires:

- Criminal Background Check

Credit for Prior Learning

Transform the skills and abilities developed through previous experience into college credit through MPTC's Credit for Prior Learning process.

- Transfer credit from other colleges/universities
- Earn college credit for your military training and experience
- Earn college credit via Advance Placement, CLEP, DANTES/DSST or MPTC Challenge Exams
- Earn college credit from previous/current work and life experiences

Visit MPTC's Credit for Prior Learning (<https://www.morainepark.edu/academics/credit-for-prior-learning/>) page for more information.
