

# INFORMATION TECHNOLOGY - WEB DEVELOPMENT AND DESIGN SPECIALIST

**Program Number:** 10-152-2

Associate of Applied Science Degree

**Campus:** Fond du Lac, West Bend, Online

This program is eligible for financial aid (<http://www.morainepark.edu/financial-aid/>)

Learn to create and maintain advanced websites and joining the growing field of web development and design through Moraine Park Technical College's Information Technology - Web Development and Design Specialist program.

## About the Program

The Information Technology – Web Development and Design Specialist program prepares students to build and maintain professional, creative and responsive websites. You'll enter a field with faster-than-average job growth and great salaries.

## What You'll Learn

Students in the Information Technology – Web Development and Design Specialist program master coding and programming technologies. A focus is placed on cascading style sheets (CSS), HTML, JavaScript, PHP, jQuery, MySQL and XML. Students learn how to use design software such as the Adobe Creative Suite, and are familiar with development software and techniques including FTP, Content Management Systems and major emerging open source tools. Graduates of the program are prepared to develop software applications and systems and integrate database technologies.

## Earn Two IT Degrees at Once!

Students can earn both the Information Technology - Web Development and Design Specialist and Information Technology - Mobile Applications Developer Associate of Applied Science degrees in only five terms. Students should refer to the Dual Degree Information Technology - Web Development and Design Specialist and Information Technology - Mobile Applications Developer program guide.

Not sure if you're ready to pursue an associate degree? Start with the one-year technical diploma in web design and development (<https://catalog.morainepark.edu/programs/information-technology-web-designer-developer/>).

## Transfer Opportunities

Your academic journey can continue at a four-year college or university. Earn your associate degree at Moraine Park and then apply those credits toward a bachelor's degree. Starting at MPTC makes completing a bachelor's degree **affordable**, **accessible** and **convenient**. You can go anywhere as MPTC has transfer agreements with colleges and universities both in Wisconsin and throughout the country.

Visit the Transfer to a Four-Year College (<https://www.morainepark.edu/transfer-to-a-four-year-college/>) page for more information on credit transfer agreements between Moraine Park and four-year colleges, both public and private.
