

SUBSTANCE USE DISORDERS COUNSELING CERTIFICATE

Program Number: 97-550-1
Certificate

Campus: Fond du Lac

This program is **not** eligible for financial aid

Take your career to the next level and help more people improve their lives by adding a Substance Use Disorders Counseling Certificate to your bachelor's degree.

About the Program

The Substance Use Disorders Counseling Certificate is designed for professionals with a bachelor's degree in human services who wish to pursue Substance Abuse Counselor certification. Graduates gain an additional specialty in the growing field of Substance Abuse counseling (<http://www.bls.gov/ooh/community-and-social-service/substance-abuse-behavioral-disorder-and-mental-health-counselors.htm>).

What You'll Learn

Students in the Substance Use Disorders Counseling Certificate prepare to counsel clients and their families with substance use disorders. An emphasis is placed on facilitation, crisis management and family systems.

Opportunities for Advancement

Courses from this Substance Use Disorders Counseling Certificate transfer directly into the Substance Use Disorders Counseling associate degree (<https://catalog.morainepark.edu/programs/substance-use-disorders-counseling-aas/>). Graduates go on to find employment as Substance Abuse counselors – in Training (SAC), intake workers, house managers in CBRFs, counselor aides, crisis workers and relief workers.

The Substance Use Disorders Counseling program is approved by the State of Wisconsin, Department of Safety and Professional Services.

Transfer Opportunities

Earn credits at MPTC and transfer to a four-year college to earn your bachelor's degree.

Visit the Transfer Opportunities (<https://www.morainepark.edu/academics/transfer-information/transfer-to-a-four-year-college/>) page for more information on credit transfer agreements between Moraine Park and four-year colleges, both public and private.
